

POSITION ANNOUNCEMENT

Secondary Math Teacher (2020-2021 School Year)

Who You Are

- An education reformer with an unwavering commitment to the mission of Three Angels Academy and authentic engagement for our scholars.
- An outstanding classroom teacher who holds scholars to consistently high behavioral and academic expectations.
- A results-driven educator with experience in, and commitment to, the use of data analysis and assessments to drive instructional decisions and teacher accountability.
- A graduate of a Bachelor's degree program (preferred), with 2 years of teaching experience (preferred).

What You'll Do

- Create, monitor, and sustain a disciplined school culture of high academic and behavioral standards.
- Promulgate an environment of Christ-centered learning and application.
- Implement a coherent, research-based curriculum.
- Develop and use a variety of assessment data to refine curricula and instructional practice.
- Communicate effectively and maintain strong relationships with scholars, families, and colleagues.

Please forward a resume and cover letter to ministry@3aa.online to demonstrate your interest for this position. The deadline is November 20, 2020.
